## *The Mount David Summit*

*The Mount David Summit is an annual celebration of student research, artistic work, and service-learning at Bates College. Each year students from all classes present their work to each other and to faculty, staff, family, and community members in a symposium format at the end of the winter semester.*

*The Summit spotlights the rich and varied academic activities of Bates students across the disciplines, and honors the vibrant intellectual life of the College.*

*Named for the landmark "mountain" on the campus, the Summit is guided by the motto of the College*

*—Amore ac Studio—*

*loosely translated, With Love and Zeal, With Ardor and Devotion—  
devotion to scholarship, creativity,  
and the life of the mind.*

*The Mount David Summit is sponsored by the Office of the Dean of the Faculty. We are grateful to Ralph T. Perry '51 and Mary Louise Seldenfleur, who have been generous and devoted supporters of the Summit since its first year.*

### *~ ABOUT THE 2010 MOUNT DAVID SUMMIT ~*

The Mount David Summit is organized into three sessions: two in the afternoon and one in the evening. A number of concurrent events is scheduled during each of the afternoon sessions. Events take place in Pettengill Hall, New Commons, and Gannett Theatre in Pettigrew Hall. This program includes a detailed schedule as well as research abstracts.

During Session I (beginning at 2:45 PM), a poster session featuring 55 research posters takes place, as well as short talks and panel discussions on art history and museum studies; biology; community-based research; gender and Islam; history; human rights and justice in Africa; identity and culture in Spain, Central America, and South America; psychology; neuroscience; research during study abroad; Roman law; and women and gender studies. Session I also features a poetry reading, a dramatic reading of an ancient Roman comedy, and a one-woman performance of Neil Labute's *Medea Redux*.

In Session II (beginning at 4:30 PM), there are two poster sessions featuring 63 research and mathematics posters, as well as talk and panel discussions on English, rhetoric, and philosophy; a community food assessment in Lewiston; student photographers abroad; political and social renewal in Africa; politics, economics, and anthropology; Roman law; and sociology. There will be also be an alumni panel of women and gender studies majors, a reading of lyric poetry, a screening of short animated films, and a mock trial based on an ancient Roman case.

Two photography exhibitions will be on view in Pettengill Hall: the 10<sup>th</sup> Annual Barlow Off-Campus Study Photography exhibition and *Images of Russia: From St. Petersburg to Lake Baikal*.

In the evening session, the Modern Dance Company will present its spring concert at 7:30 PM in Schaeffer Theatre, and the College Choir and Orchestra will perform at 8:00 PM in the Olin Concert Hall.

Visitors to the Summit are encouraged to talk with students and ask them challenging questions. Visitors may move between events during each session, but we respectfully ask that you do not leave a program during a student's talk. There is ample time between the end of Session I and the beginning of Session II to get to an event in a different building. Please plan to stay for the entire performance (35 minutes) of *Medea Redux*.
