Course for which research funds are sought (include description and course number)

Course instructor / Thesis advisor

Title of project

Total amount of funding requested (maximum $300)

COMPLETION DATE: Please state the completion date of your project. Funds not spent by this date will be offered to other students. *See guidelines regarding the duration of projects.*

Project completion date

*On a separate sheet, provide the following:*

**PROJECT DESCRIPTION.** Provide 1) the title of your project 2) a one paragraph abstract of the project written for the general reader, 3) a brief narrative description of the project, and 4) a detailed budget. In the narrative, describe the project and explain how Bates Research funds will support your research efforts. The abstract and narrative should be clearly marked to indicate what it is. Please be concise and protect the environment: do not exceed two (2) pages double-spaced for your abstract, project narrative, AND budget.

**PROJECT BUDGET.** Provide a detailed description of expenses associated with your project. Your budget should include actual prices or quotations whenever possible. Detail your entire budget, even if it exceeds $300, but remember that you may only request up to $300 from the Bates Student Research Fund. *See guidelines regarding budget restrictions.* (over)
DEPARTMENTAL SUPPORT
Department chairs are encouraged to share resources to support student research. What amount of
departmental funds can be committed to this project?

Department funds committed to project

Signature of Department Chair

INSTRUCTOR ENDORSEMENT
The instructor / thesis advisor must provide a signature as an indication of support for this project.

Signature of Instructor / Advisor

O ** Instructor / Advisor: ** Please check here if grant funds should be transferred to your department
or program budget and if so, indicate your organization code: ________________________________

O Has the student been required to submit his/her proposal to the Animal Care Committee or the
Institutional Review Board for review, and if so, has it been approved? _________________________

O If the student is requesting funds for equipment (e.g., small cassette recorders, scientific field
equipment), have all attempts to find such equipment at Bates been exhausted?

Instructor Comments: Please provide a very brief letter of support in the space provided. Letters can appear in the space below or
can be sent via email to Denise Begin in the Dean of Faculty’s office (dbegin@bates.edu). Letters should NOT exceed 250 words.
Please include information regarding how well you know the applicant and the nature of your relationship (e.g., thesis student, etc.). Is
the applicant prepared for this work? What is your evaluation of the importance of the proposed research (e.g., contribution to field &
originality of the research)? Provide an estimate of the probability that the applicant will complete the proposed project in the time
specified. You may also include any special aspects of the applicant's situation that the committee should consider in making their
decision. Please do not re-describe the proposed research in your letter; the student should describe the details of their own work.

APPLICANT AGREEMENT
I understand that funds remaining in my grant after the completion date indicated on this form are
returned to the Bates Student Research Fund and offered to other students. I understand that any
equipment or material purchased through this grant becomes the property of Bates College, after
completion of my project, unless I have made a special request to keep the materials for future
research.
