eRecruiting is your first-stop resource for valuable career-related information – updated daily by the Bates Career Development Center (BCDC).

How can eRecruiting help me in the career development process?

- Access exclusive subscription-only career search databases
- View a robust calendar of events that includes:
  - Employer information sessions and interview schedules
  - Application deadlines for jobs, internships and fellowships
  - Graduate and professional school information sessions
  - BCDC programs, workshops and panel discussions
- Register for events, information sessions and interviews
- Upload resumes, cover letters and writing samples
- Gain one-click access to the newest jobs posted
- Apply for jobs, internships and fellowships
- Research employer profiles
- Update career preferences so that you may be notified of relevant opportunities
How do I log in and navigate through eRecruiting?

- Log in with USERNAME (your full Bates email address) and PASSWORD (your Bates ID number; Classes of ‘11 and ‘12 may need to contact the BCDC for passwords)
- If you forgot your password or have never logged in before, please click Forgot Password?
- Update your career preferences and profile often
- View calendar and click on a specific event to register
- We welcome you to stop by the BCDC front desk or to call 786-6232 for assistance
