FACULTY SCHOLARSHIP for the period of June 1, 2004 – May 31, 2005:
From Selected Departments and Programs:
Classical and Medieval Studies Program; Environmental Studies Program; History; Mathematics; Music; Neuroscience Program; Philosophy and Religion; Physics and Astronomy; Political Science; Psychology; Romance Languages and Literatures; Women and Gender Studies Program; Sociology; Theater and Rhetoric; Administration – Senior Staff; Bates College Museum of Art; and George and Helen Ladd Library

This list is the third in a series featuring the recent work of Faculty by department and program. The information is drawn from the Professional Activities Reports submitted by Faculty members. The list does not include forthcoming publications or papers read on campus, unless at regional or national meetings that took place at Bates. Except for minor revisions of format, the bibliographical information appears as submitted by the members of the Faculty.

The academic titles used in this document are the official titles for the 2005-2006 academic year.

* Indicates a Bates student co-author or co-presenter.
