General Education Requirement Approval For Approved-Program Credit
(JYA, JSA, ISLE, SITA, and other approved programs)

**Introduction:** Departments and programs at Bates are responsible for approving the application of courses taken on approved programs, such as the junior semester and year abroad programs, toward the College’s General Education Requirements. This form provides a permanent record of these approvals. After completion, the form must be turned in/mailed to the Office of the Registrar and Student Financial Services in Libbey Forum.

**Students:** Please complete the section below. You will need to use a separate sheet for each department from which you seek an approval. Then take the form to the department chair.
