FACULTY SCHOLARSHIP for the period of June 1, 2006 – May 31, 2007
from Selected Departments and Programs:

This list appears monthly throughout the academic year, featuring the recent work of Faculty by department and program. The information is drawn from the Professional Activities Reports submitted by Faculty members. The list does not include forthcoming publications or papers read on campus, unless at regional or national meetings that took place at Bates. Except for minor revisions of format, the bibliographical information appears as submitted by the members of the Faculty.

The academic titles used in this document are the official titles for the 2006-2007 academic year.

* Indicates a Bates student co-author or co-presenter.
