BATES COLLEGE

FINANCIAL AID APPLICATION FOR SHORT TERM OFF-CAMPUS PROGRAMS

Only those students who apply and demonstrate need for aid, according to the procedures and records of the Student Financial Services Office, are eligible to be considered for Short Term assistance. In the event that aid is granted, the student should expect a portion of it to be in the form of a loan, because limited funds generally make it impossible to fund all needs by scholarship alone.

To be considered for the upcoming Short Term, this application must be returned to the Student Financial Services Office no later than January 15, 2007. The permission of your instructor to register for the STU must be recorded through the override process by that date.

NAME ___________________________ CLASS _______ ID# ______________

Post Office Box Number __________
E-mail address____________________ Phone Number____________________

Name of Short Term Unit you plan to attend
